

Declaration of consent for the application of persons under the age of 18

Use of the applicant portal

I/we, as the legal representative (legal guardian), agree that my/our daughter / my/our son

may apply for training positions at IAV GmbH Ingenieurgesellschaft Auto und Verkehr („IAV“) via the application portal and that, if a training relationship is established, the data will be transferred to a so-called internal candidate profile.

Data Protection

I/we have taken note of the [privacy policy](#), in particular that a user account and a candidate profile will be created for the use of the applicant portal, for which in particular the provision of contact data, qualification data (e.g. highest school and educational qualification, university, place of study), language skills (e.g. language and level), information on mobility (willingness to travel, willingness to move, driving licence) and on the preferred place of work as well as the uploading of the application documents (in particular CV, cover letter, references and salary expectations) is required. If a training relationship is established, the external candidate profile of my/our daughter/son will be transferred to an internal candidate profile and the data will be transferred to the personnel management system and used there for the purpose of executing the training relationship.

Furthermore, I/we have taken note of the fact that the applicant portal offers the option of receiving notifications of new job postings and/or news about general career opportunities at IAV and career events (e.g. trade fairs, career days) by e-mail.

I am/we are aware that my/our data provided below will be processed as part of the application process and that this declaration of consent will be stored for the duration of a training relationship if one is established (see also [privacy policy](#) under section II. G.).

Names of all legal representatives/guardians

Place, date

Signature of all legal representatives/guardians

Without this declaration of consent, participation in the application process is not possible for persons under the age of 18. Please scan the completed and signed declaration of consent and upload it in the applicant portal.
